**Project Scope:**

The Goose Creek Correctional Center is a new, \$240 million, 1,536 bed medium-security correctional center for long-term male felony offenders. The new facility will be constructed on a 330-acre tract located at the

intersection of Point MacKenzie Road and Alsop Road, approximately nine miles from Port MacKenzie.

The project is a joint effort between the Matanuska-Susitna Borough and the State of Alaska Department of Corrections.

### New Mexico FEMA camps

and Foreign Military Depots  
These sites are inside White  
Sands Missile Base

This is a Prisoner compound.  
Note the towers that  
surround the perimeter and  
the fencing. Also, the “moon  
shaped rd” adjacent to this  
compound has areas of  
interest also. This has been  
reported and verified as a  
prisoner camp. Note the  
guard towers on each corner  
and the ones in the middle.  
(looks like Auschwitz) “Arbiet  
Macht Frei”

32.03313991315545n  
106.15262031553812w

Area of interest;  
Note the secured area with  
only 4 buildings inside the  
fenced area. Its a “one way  
in, one way out” compound.  
It has almost the same look  
as the Halliburton, CCA built,  
FEMA camps. Note the  
security cameras just on the  
outside perimeter
